Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Sunday 07 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Widely sunny and dry. Breezy.

Today:
Mainly dry with prolonged periods of sunshine for most. Cloudier with the chance of a few showers during the morning across the Peak District, but brightening up by the afternoon. Breezy, particularly across upland areas and along coasts. Maximum temperature 12 deg C (54 deg F).

Tonight:
A mostly clear and dry night to come. Winds easing and becoming rather chilly by morning, giving the chance of a rural frost and mist patches in a few places. Minimum temperature 2 deg C (36 deg F).

Monday:
Bright and chilly to start, then turning cloudier and a little breezier later. Generally dry, but a chance of rain, mainly in the west from late afternoon or early evening. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
Rather cloudy and breezy early Tuesday with some rain. Drier and brighter later. Widely dry Wednesday with plenty of sunshine. Mostly cloudy Thursday, rain or drizzle at times. Fairly mild.
